

The Catalogue Raisonné Scholars Association was founded in 1994 to serve the interests of authors of catalogues raisonnés of works of art. Our members are typically engaged in the study of a single artist's body of work to establish a reliable list of authentic works, their chronology, and history (usually including provenance, bibliographic, and exhibition histories). Our membership also includes those who are not actively engaged in such a project but who have a keen interest in this type of work such as patrons, collectors, art dealers, attorneys, and software designers.

If you would like to join, please send your annual membership donation of at least \$20.00, and this completed form, to
